| 2. Please give a concise statement of yo                                   | our protest. * (This secti   | ion <u>must</u> be completed. Attach a | dditional information if nece | essary.)                      |
| We were promised we would not r instead all we have been seeing is         |  | es since the acquisition               | of the failed SCE & G         | and age                       |
| misted all we have been seeing is  | Tate mercases.   |  |                               | 0 1                           |

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

No. I have a wife with a health issue and a 94 year old mother-in-law I care for which is just the tip of current issues. This just makes bad matters worse thank you. You are neither being a good S.C. neighbor nor citizen.
